Marwayne, Marwayne, Alberta

Presenting this well kept mixed-use property, situated on 4 lots in a prime location, downtown Marwayne. Construction of this 3432 sq ft building was completed in 1940, using hand carved stone brought from the North Saskatchewan River valley. Originally used for a farm implements dealership and garage, but has since been retrofitted into a 2200 sq ft retail space in the front, and a separate 1232 sq ft residence with private entrance in the back. The front retail space is currently vacant, and offers a wide range of uses, with plumbing available, and a newer furnace and electrical system. The residence is a one bedroom, with an additional flex space available, large bathroom and open concept kitchen and living room. Upgrades include a brand new metal roof on the main building and double detached, heated garage, additional insulation, windows, flooring, plumbing and electrical. The residential suite is currently rented for \$1100 a month, utilities included. The owner reports utilities for the entire property totaled \$6400 for 12 months. New owners could take this classic building in several directions, utilizing the front space for retail, professional office or services, craft or studio space, or even a coffee and sandwich shop. As this is proudly a Heritage Building, offers should include time to obtain approval for the intended use from the Village of Marwayne.

Built in 1940
