This CORNER lot, SEMI-ATTACHED home has unlimited potential and a yard you just cannot find anymore. Come in your private side entrance to the main floor that connects to the large living room with gas corner fireplace, and access to the backyard. The theme of this entire home is NATURAL LIGHT as there is an abundance of it throughout. There is a 2 Piece bathroom and down the hall there is a pantry, storage closet and access to the SINGLE ATTACHED GARAGE. The Kitchen and dining room are the star of this home with plenty of storage, counter space and STAINLESS STEEL appliances (the Microwave and Dishwasher new in 2023). The countertop were recently professionally redone with an epoxy coating over the existing Laminate giving it new life and a fresh new look! There is a breakfast bar that connects to the dining room with so much natural light - If you are not the dining room type, perhaps this space becomes a second living area? The laundry is conveniently in the hall with NEW WHIRLPOOL WASHER & DRYER (2023). There is a 5 piece bathroom that has separation from the double vanity and the

toilet and bath area, which will come in hand on busy mornings! The 2nd and 3rd bedrooms are the exact same size and both spacious - no fighting from the kids on who gets the bigger room! The basement is not finished but has bathroom rough in and awaiting you to make it anything you need! Again the yard is the show stopper on this property as you cannot find thisÂ type of space these days, plus a new VINYL FENCE and CENTRIAL AIR CONDITIONING are the cherry on top for this one!
